How Accurate Is This?

The Relationship Finder Tool is as accurate as the data we pull from OneWorldTree. The quality of each relationship shown is measured by stars (where 5 stars shows high probability of an accurate relationship).

Keep in mind--The possible relationship information we show is only as accurate as the member-contributed family tree information found in OneWorldTree. We are unable to verify whether these results are in fact accurate. Of course, that's part of the fun of family history--digging into the research.
